“ David and I loved your mom and dad. The weekend they spent with us in Dalton was so special. Such a great man! They went to school together at Liberty University. He was a great inspiration to so many students at Liberty! So sorry for your loss!

“ I served as youth pastor to Otis at Open Door in Tuscaloosa in the late 70s. I remember him as a man with a great burden to reach people where they are. I appreciate the part he had in developing me for ministry, and I send my condolences to David and the rest of the family. I have fond memories of those days at Open Door Baptist Church.

He gave me a green couch he had moved from Lynchburg. I used it in New Jersey and Ohio for almost 10 years. I also appreciate the people that he introduced me to; like Jerry Falwell and the people he knew from Liberty University.
