“ From the very beginning of our friendship, Pam was always friendly and fun, with an uplifting demeanor, and a loving soul. She was able to make a dark day brighter, and a good day even better all by simply sharing what was in her heart. She was generous with her laughter and kindness. She worked very hard to help and support those closest to her. Pam has been a blessing in my life for almost 50 years. I will always be filled with gratitude for the blessing of her friendship. I will always remember and enjoy the goodness she brought to this world. When I think of her, I will see her beautiful smile, hear her warm voice, and feel the comfort of the love she shared with all who were close to her. I give thanks to God for sending her into my life. -JWG
