“ I remember Paul and Lonnie at church every Sunday and in particular, the mission trip to Indian reservation in Oklahoma to construct a church building. Joe and Buddy went also but Paul was the construction head man. A wonderful man and family. praying for Paul's family and friends 🙏

“ Uncle Paul was special to all of us. He would let me go with him on some of his dates when I was very young. He and my dad were close. He is the last of my mother's family and we will miss him. God bless your family.
