“ Ann is my cousin. We spent many days together. I loved to spend the night at her house and took great pleasure sleeping at the foot of the bed. She spent many days at my house. I think Aunt Ruby let her come so often because she had a lot of responsibility being the oldest. I loved her. She was a sweet girl. I regret the miles and years separated us. To her sons I want to say, “ you had a good mother who loved each of you to the utmost. “. May God bless you during this time. To her brothers and sister, she loved each of you as her own. She will be missed.
