Phyllis was so special to our family. She had to make sure that at Christmas she had gifts to give all of us n especially our grandchildren. She loved us all and made sure we knew it. My deepest sympathies to all of her family. We're gonna miss her so but we know we're gonna see her again one day.

“ *Phyllis is a very special lady. And has been an inspiration to me over the years. She was so dedicated , and her love for God was shown to others in so many ways. She has been sick for so long and now has her complete healing. Love & Prayers. Diane Caffee*

“ *Phyllis was a very special lady. I will never forget when I first started going to Garywood Assembly of God how she made me feel so welcome there. And over the years no matter where I saw her she always remembered me. The last time I got to see and talk with her was at Legacy in Pleasant Grove a few years ago now. I regret not spending more time with her. Phyllis hadn't been well since I met her. As much as it hurts to see she has passed it is comforting to know she is resting in heaven now completely healed. Prayers for Jeff and Wendy as well as the others in the family.*
