“ There is never a good time to lose someone in death. May your family find comfort in the promise found for us at Isaiah 33:24. There it tells us that the day is coming soon when no person will ever say I Am Sick again.

“ I remember Quintin playing football with my nephews. Everyone called him "Czonka" after the Miami player that was so tough. His parents and siblings were all a great family. This is a terrible loss for them. Quintin delivered a washing machine to us just a couple of years ago. I had know idea he was sick. He must have found out not long after our delivery. So sorry for his wife, children and his Dad. I will let my nephews know about this. If any of you remember, it was Kenny, Ronald, Donald Allison. I think Quintin was always on the team with the twins. Love and prayers to you all.

“ We love you Q. Everyone that ever met you would say the same. So many great memories, so many funny moments....I still say they based "Doug" on "King of Queens" on you and your antics. There will never be another Q. We will cherish the memories always....?
