“ Randy was my 1st Cousin who at any given time we ran together. We escaped from family reunions as quick as we could so we could do our “thing” then return just to eat more food and desserts!! He was the funniest guy and never have I ever had so much fun than when I was with Randy.

Randy was younger than me but we managed to hang out on many occasions. We went to an Elton John concert at the University of Alabama and boy did we have a time. Randy was always smiling and a joy to be around. We all lost touch after Daddy died but Randy will forever be in my heart. God gets another steller dude. R.I.P Randy!

“ I grew up with Randy at Wylam Baptist Church, Wylam Elementary School, and Ensley High School. Especially sweet memories are of our participation in the church youth choir and of the trip to Colorado in 1971.

Rest in peace, Randy, with your sweet Debbie.
