“ We are deeply saddened at the loss of a dear friend, (more like a longtime family member). Our thoughts and prayers and our love go out to all of the family. While she has left loved ones behind, she has joined those who have gone on before her. She not only was wrapped in the arms of an angel, she has now been wrapped in the arms of her loved ones gone on before her, and her Heavenly Father, where she has been given a new and glorified body and soul. We will see you again one day and oh what a day of rejoicing that will be. We love you Mickie, Go rest high on that mountain
