“ Bobby was truly a wonderful friend, classmate and a great inspiration to us all. He was always greeting everyone with his contagious smile and friendly conversation. Bobby was always the same person and was very modest about the multiple talents he was blessed with by our Lord. We are going to miss this Golden Gopher from now on. He was one of our treasured member of the Hueytown Class of 1956. Bonnie we love and pray for you as like many more of us will now have to go on without our life long spouses. God bless and comfort this good family. bj
