“ *My precious Grandmother who touched the lives of so many. Everyone who knew her loved her and she loved everyone she knew. I am so blessed to have had her as my Grandmother. I know she is walking with Jesus and I will see her again one day.*

“ *I miss you Mother but I know your with your Lord and how thankful that I that you chose Jesus many years ago because of that I can have the peace and assurance that I need to get through the grief. I love you and will see you again. I have many good memerios in my life but I will cherish the last four years the most because it taught me so much and God showed me what serving your family really means I would do it all over again it showed me how God can pick you up when you think you can't take another step it was the greatest learning experience of my life.
