Things haven't been normal since you been gone! I'll never forget the paramedic telling ME you was gone and I fell to the floor crying and screaming, I'll never forget them taking you away... god I miss you so much, you was supposed to dance at my wedding! And watch me graduate!!! I'm still mad at this world for taking you! I miss you! I know your happy in heaven but I need you

“Daddy I miss you so much there's not a day that goes by that i dont see something or do something that reminds me of you. I know that as much as we miss you that you aren't in pain anymore and that you are happy with so many that have passed. I just wish you were here spending Christmas with us. I love you daddy!!

### *MY FIRST CHRISTMAS IN HEAVEN*

*I see the countless  
Christmas trees  
around the world below  
With tiny lights, like Heaven's stars,  
reflecting on the snow*

*The sight is so spectacular,  
please wipe away the tear  
For I am spending Christmas with  
Jesus Christ this year.*

*I hear the many Christmas songs  
that people hold so dear  
But the sounds of music can't compare  
with the Christmas choir up here.*

*I have no words to tell you,  
the joy their voices bring,  
For it is beyond description,  
to hear the angels sing.*

*I know how much you miss me,  
I see the pain inside your heart.  
But I am not so far away,  
We really aren't apart.*

*So be happy for me, dear ones,  
You know I hold you dear.  
And be glad I'm spending Christmas  
with Jesus Christ this year.*

*I sent you each a special gift,  
from my heavenly home above.  
I sent you each a memory  
of my undying love.*

*After all, love is a gift more precious  
than pure gold.  
was always most important  
the stories Jesus told.*

*Please love and keep each other,  
my Father said to do.  
I can't count the blessing or love  
has for each of you.*

*So have a Merry Christmas and  
Wipe away that tear  
Remember, I am spending Christmas with  
Jesus Christ this year!*

“ *Daddy today has been especially hard without you. I had to put oil in the push mower and it made me think of all the times we worked on lawnmowers together, and the time I rebuilt that lawnmower that you couldn't get to run and it fired up the first time. Ghhh..... I miss you so much!! If only God's time was the same as ours, if only you could have stayed a little longer. I wish I could hear you tell be you love me just one more time or you could tell me what I need to do to fix a lawnmower. I really need a hug from you and a kiss on the head like you use to do.*

“ Daddy today as we drove to work the smell of fresh cut grass filled the car and it made me think of you. I remember helping you cut grass and the time I helped you rebuild that lawn mower. I think I was almost 16 and it shocked you that it ran after we got finished because you had rebuilt this motor and it wouldn't run. But I got it to run. I love you daddy and I will always remember those times that we spent together.
