October 22, 2025

Sandra G. Bowden 80, of Lakeview, passed away on October 22, 2025. Sandra was born in Birmingham, AL, grew up in Fairfield, AL. she graduated from Fairfield High School. Sandra and her loving husband lived in Pleasant Grove most of their lives. Sandra and Bobby were married almost 64 years. They started dating when they were 14 and 15. After he saw her and a friend playing badminton, he knew he had to meet her. She was a homemaker for many years, a great seamstress, making cheerleading uniforms, pageant dresses, play clothes for her daughters and much more. She made the best and frequently requested by all, banana pudding, potato salad, baked beans and cake with homemade chocolate icing. Later she owned and ran a successful hair salon where she loved talking to people and making them feel good about themselves. I think one of her favorite roles in life was when she got the title Nanny from her grandsons. She was a loving wife, mother, grandmother and great-grandmother.

“ Sandra and I were born two months apart. World War II was happening. Dads were fighting in the war. We lived with our mothers at our grandparents house until we were around 4. We have always been like sisters, because we went from 4th grade in school to high school. Seldom did we not keep in touch. We shared sad times and good times. I will miss her, because she was a part of my life for 80 years.
