“ Aunt Sandy always told the story of how she felt when I was born . She was only 5 years old . She was the youngest. And I was the first grandchild. She said she hated me because I was getting all her attention . But she said as time went on she was caught up in loving me . . She always showed me how much she love me . She was kind & loving person who loved The Lord & now she is in his hand . I love you Aunt Sandy.
