“ Sarah is my mom. We spent time enjoying life together. One day I pushed her in a wheelchair through the Birmingham Zoo and Botanical Gardens. 😞
Another day I attempted to visit the Cahaba River Park with her. Twenty minutes down a dirt road, at the end we found a walk through the woods was required. Mom couldnt walk well at that time.... 🚶♀️

“ Praying for all of the family during this time. I pray that God will comfort you and give you strength during this sad time. Hold on to all the memories, and know through believing in God you will see each other again. She is now your guardian Angel!! I am honored to have met her and spend some time with her. She always had a smile on her face when I saw her. I will always remember how happy she was during our visits ❤️
