“ Dear family, I cannot express the sadness I feel for your loss. Shannon will remain forever in my heart as a loving, sensitive, and kind woman. I meant to reconnect hundreds of times but always had an errand, a project, or some crisis that kept me from seeing my goal through. I pray I am able to follow Shannon's example as a mother, friend, and wife.
I pray that the Lord hears my prayer asking for healing, acceptance, and forgiveness.

“ We send to the family and friends are deepest sympathy. We offer our prayer for each one, and as a father, a special prayer for the husband and immediate family, and very special prayer for the parents. May comfort, strength be your refuge now and for each day, month and year that will unfold...into precious memories of love shared.
