“ *What can I say.....you have been such a big part of my life for the past 25 years... my father in law the past 22 years. I am so thankful and blessed that we have all become so close the past months. We have so many memories we made, so many we didn't get a chance too but that's ok, we will pick up where we left off when we see you again ;-)* Thanks for all the talks these past few months. You were a very wise man.....the toughest damn man I knew. I watched you never give up and watched you fight the fight of your life to the bitter end. Rest well Big Da.....until we meet again....you are so loved and missed
