“ I worked with Sherry Hester at Sherman Industries in the late 80's and the 90's. She was a very fun person to be around. I just thought about her and came across her obituary. I am sad that she passed at such a young age. She will be missed.

“ Sherry and I took a weekend trip to Nashville back in 2017. We got lost a couple of times, couldn't find our hotel and like to never found our way into Nashville. Even though we had so much trouble, we had a heck of a good time and there is no other person I had rather been with. She was like a sister to me and a great friend. You will be missed, Shery. Rest in peace my friend.. I love you.
