“ I am so sorry for the loss. Sherry was a wonderful woman and a good friend. I had lost contact with her for years, but through facebook, we got back in touch. She and her mom visited me when they were in Panama City last summer and she went with me to my nephew's funeral in October 2013. (Billy Eaton had been our classmate at Oak Grove.) I had missed her posts on facebook and was checking to see if her husband was OK....she was always chatty about Harry and was quite smitten with him and the things he said and did. She was very happy with her life and family. She was loved and she loved them. I miss her and her sassiness.
