“ Shirley was the first person I met when my family moved to Hueytown. She remained a very close friend all through the years. How many times did she save my life. I am so grateful to have known such a wonderful Christian. There is so much more in my memories..... I could write a book. Shirley was a gift of Love from Jesus Christ. She was a friend to everyone. Not a day goes by that some funny sweet memory pops up about Shirley. I know you are in the arms of Jesus now. See you when my bell rings.

“ The world is a much better place because of Shirley and her love, skills, dedication and faithfulness. She was a wonderful, positive influence on my life. She invested so much in others that her work will go on. Her race is complete, and she has her reward. Prayers for all who love her for strength, comfort, and peace as you remember and celebrate her remarkable life.
