“ I only got to know her recently. She was an amazing woman and my life is better for having got to spend a few moments with her. She has an amazing family that has done more for me and my family than they know. I will credit that to her and the wonderful family she created.

“ She simply was the greatest and most gentle daughter of God I have ever had the honor of knowing and loving. She is my Aunt Shirley. She has always been a roll model to me. One that I discovered impossible to come even close to. She was simply amazing, compassionate, loving, and funny all at the same time. She had a wicked sense of humor and love the Lord and her family above all.
