“ *She will be missed greatly by her friends at SSA. She was a very  
nice, sweet woman and I got to first know her when her son Ricky  
played ball with me when we were kids. She was someone who  
anyone can talk to. You will never be forgotten. Hugs*

“ My sincere sympathy to all the family of Susie. Precious Memories of days and years past having met Susie as a child 9 years of age and Susie 12 and form such a sweet childhood friendship our friendship could be described in many ways but one quote "some people come into our lives for a season and leave" and "some people come into our lives and never leave and we are never ever the same" I treasure the friendship we had for 65 years and Susie will be in my heart forever . To the family my prayers for all lean heavy on the Lord may He sustain each one with his love that passeth all understanding at this most difficult time .Love and Prayers.
