“ My sweet smiling mom, and dad. No matter what I was in or going through In life i could talk to my mom or look at her sweet face and all my problems went away.I thought I am going go be lost in life now nobody to talk to about my problems nobody for guidance nobody to show me there sweet smiling face . The night my mom passed she also entered my life from beyond I am not or have never been a believer but the feeling I got and the peace she touched me with is out of this world.My mom is with me watching over me and letting me know everything is going 2 be ok and she is pain free watching out for her family.Mom I love you so much this is not goodbye,until we meet again.
