“ *Mrs. Hogan was one of my favorite teachers at Minor. I often recall many of the memories from her 6th grade class as I am now homeschooling my own 3 boys. Discussions in the classroom, field trips to Washington, Camp Cosby, Mississippi...she was loved so much. I often share 6th grade memories with my boys. Her memory will live on!*

This was the lady who started a Elementary track team at Sandusky Elementary school in 1984 I was in the 6th grade and she was also my teacher, come to find out, she was a alsome track coach, because I went on and won every track meeting, county and state, I was recruited by a big track team from Bessemer ,and also won running in the Alabama sports Festival, if it wasn't for Mrs Hogan none of it would have been possible. You Will be missed 😭 Ken

Mrs. Hogan is the reason I love reading and history. Her teachings of the holocaust and WW2 is one of my most memorable learning experiences. I'm so grateful that I had her as a teacher. May she rest in peace.
