“ Josh I will never forget the night I come to get you after your moms wreck! I will never forget how open you were that night! What a sweet spirit! I told your dad after I got back WOW Josh had grown up so Much! You talked to me that night like you never had! I know you were scared to death baby but you helped me so much more than anything did! I felt your love towards your parents and the worry that was in your voice!!! I just let you TALK! Talk you did, and I wouldn't take a million dollars for that midnight hour and a half ride to the hospital that night! I loved you as a baby, a kid then high school came in and you were over me!!! But I thank God for our memories that I remember so well! I love you forever lil Man!!!!
