“ Some of my best memories of the Sheldon's were camping at Wind  
Creek! We always shared a lot of good times, lots of laughs, and  
lots of crazy adventures we laughter about later. (Ginny on the wave  
runner and Nancy driving the boat to keep it from sinking). We feel  
so privileged to have been a small part of Big T's many friends.  
Love his girls and are praying for them and their families. Also  
prayers for Starla and family. What a reunion there has been in  
Heaven.
