“ Tommy was certainly a very unique man. There are no adequate words to describe what he meant to the Bud and Alma Franklin family. He was always considered a member of the family. I remember very few times being in their home when Tommy was not there or would drop by. He was such a blessing to them. It was so much comfort to us knowing he was there for them when we couldn't be.

*Diana you changed his life so dramatically and gave him something no one else could. I am thankful you had each other these last 36 years.*

*Janice (Ronnie) Franklin*
