My precious Tommy, from the first time we met I loved you. You are in the arms of Jesus now but my heart is broken. I will always have a empty place in my heart now that could only be filled by you. Rest with Jesus my love. I've got you covered Babe. ❤️

“ *Our deepest sympathy to Tommy's family and friends. His smile and happy personality will be missed! Tommy helped Neil Bonnett with his desire to set a speed record on water many years ago. I remember the big motor and when we took a ride in the boat we could barely open our eyes we were going so-oo fast, the wind blew our mouths open and we had to clean the knats off our teeth when we stopped. I prayed that if God let me live I would never ride in that boat again! Tommy thought that was so funny! Love and prayers!*

I loved Tommy from the first time I saw him. Tommy was my whole world for 5 years and continued bestfriends for 19 years. I never stopped loving him. My heart is broken. You are in the arms of Jesus but I'm selfish because I want him here. As I always said, I got you covered babe. I will always have a empty hole in my heart for you sweetheart. Prayers fir Vicki and Tommy Jr. I'll always miss you my love.
