“ I remember going to NHRA events with Tim, super cross in Atlanta. But one of my favorite Tim moments is when I remember waking up in the backseat of Tim's old Monte Carlo, apparently doing do-nuts in the in the mud on what is now Red Farmer drive and the new wal mart. That was Tim , always with his right foot to the floor yellin' “ hang on!” Throughout high school and my early 20's Tim was my best friend . He helped me so many times bench pressing transmissions into my Malibu or just giving me some car advice. I'm so incredibly sorry for your loss Jennifer. I love and miss u Tim.
