“ Todd, this is so heartbreaking for so many. To say you were loved and will be missed is truly an understatement to the love and friendship you showed everyone. I will miss those big hugs, we always exchanged on Sunday mornings. Such a sweet friend, and spirit. Rest easy my friend, we will take it from here. Until we meet again. Prayers for your family, and friends.

“ I've known Todd for 9 years.  
The last 5 years was the greatest of my life.  
Todd was the sweetest man and he was so very outgoing and he never met a stranger.  
He loved Alabama Football.  
He would scream and shout at the television when Alabama would get the football and score a touchdown.  
I will never forget his reactions to the football games.  
His reactions and screaming at the television always made me laugh.  
Todd also loved Tennis, and he absolutely loved his antiquing.  
I'm glad I met him and that he was a part of my life for those 9 years.  
I love you Todd!  
I always have and I always will!  
All my family loved you.  
And I loved your family very much as well.

*I'm glad I was there with you and held your hand to tell you that I love you.*

*You knew I was there with you and I'm thankful you knew I was there.*

*You are no longer suffering and you are in a happier place with your mom and your loved ones.*

*You will truly be missed by many.*

*Rest In Peace Todd!*

*I love you!*
