“ *Tommy Lee had the most beautiful heart and soul. He was one of  
my first friends since fifth grade and we carried that friendship  
through the rest of our lives. There was never a time he wasn't there  
for me with a loving heart, and the honest truth. He carried a piece  
of my heart to heaven with him. He was the truest friend. I can't  
imagine my life without my precious friend, but I rejoice in knowing  
that we will see each other again some sweet day.*
