“ Tonya.. we grew up together. You were my aunt but we called each other sisters because that is what we were together. Not a day goes by that I don't think about you. I love you and will be empty until we meet again. Thank you for holding me when I had nightmares Thank you for never judging and always being there. I miss you Tonya.

“ My name is Nelda Shemberger. I am Chris Brown's mother. I am so heartbroken for Chris and Tonya's family. I have been so happy to hold my granddaughter. Tonya and I had many texts between us. On Mothers Day, Chris and Tonya came to our home to tell me I was going to be a grandmother. I was so thrilled. Life is so unfair. I know God will continue to watch over Chris, Chrisly and all of Tonya's family. I loved her so very much.
