“ *Tracy was an amazing colleague. Even in the midst of her illness, she was a bright light- she always had a way of making you feel better with each interaction. She impacted so many lives in a positive way and she will be greatly missed.*

“ *I just do not have the words for the family... Tracy was one lady and dear friend with such an amazing heart. The world has lost one of its brightest lights. She was a genuinely beautiful soul. As she breaks through to the other side, I know her Mom is waiting with open arms. Our love and prayers for the family that they may find comfort in their beautiful memories of this loved-one's life. Much love.....*

“ *I met Tracy in 1st grade. We became best friends. Our mothers were also best friends until Pat passed away. We went through the teen years seeking out different friends, but she was always there if I needed her. I hope I was there enough for her, though I realize the distance we lived from each other kept us from reaching out a lot. I moved across the country, so we rarely saw one another. I'll always remember her sweet heart and natural beauty. That beautiful skin and smile! She will always be in my thoughts and heart.*

Love,
