“ Love and sympathy to Brooks and the rest of Tracy's family. She was a wonderful person that all who knew her were very blessed. She had a great personality and a positive outlook on life. She was a very strong person. We know that she is now pain free and rejoicing with our Lord and Savior receiving many crowns!! She will forever be remembered as a caring friend and teacher to much of the Hueytown Community and many others. We loved her and were blessed to have known her. We spent many football games with her and she was so much fun!!! She will be missed dearly. Our prayers for peace and comfort are with Brooks and the Smith Family
