“Travis Kelley was my first cousin, and he was loved by all of the Varner family. I remember him as a kind and gentle soul and remember him from all those family reunions down at Mt. Moriah when we were all just kids. He was a good man, and he has passed on way too early. He is standing in the promised land right with our grandparents John and Cora and all his aunts and uncles who have passed on from our family. Godspeed, Travis Love, Arista Varner Scott”
