“ I miss your momma, wife, daughter and my crazy cousin! We had so much fun scaring the roosters at Papaw's house and playing on the trains. I always hated when Uncle Johnnie got onto us because he was big and scary! I pray that God is comforting y'all every night! Love to all you Burnett's we list a precious soul, but we know she is with Jesus!

“ I will miss Valerie. She was always active in church and community activities. I know she loved her husband and sons very much. She was called away to make a way for them in heaven.

“ *Valerie and I went to school together most of the 12 years. At one time we were close friends growing up. She was always a good friend and I worked with her at protective too. We didn't see each other much but she was still dear to me. My thoughts and prayers are with you all as I know how she loved her family and friends. May the peace of God carry you in the days ahead until we see Valerie again.*

“ I remember when our Sunday School class had a Christmas party at a restaurant. Bill and Valerie came in and were soaked. It was pouring down rain. But Valerie didn't care. She had fun and we picked out gifts, I got the one that she had brought. I still enjoy it. It is a Daily BIBLE READING! I read it every morning. I loved Valerie.

“ We lost a bright light in our family yesterday. We never saw Valerie without a smile on her beautiful face, without a kind word on her lips, or without merry laughter that caused that little crinkle to show around her eyes. Everyone's "girl next door "...someone we all loved to be around. And my goodness, how she loved her family! Always trying to get us together...a "cousin party" always in the back of her mind.

Her love & pride for her boys was so evident. And Bill, you were her soul mate forever, her gift from above. And we were always so touched by the way she cared for her momma. Jackie was always encouraged & included on trips & other events. Such a precious mom, wife, and daughter to her momma.

She was "a pearl of great value" Matthew 13:46. She made a difference in this world.

We know your hearts are broken. Ours are too. We want you to know that we not only grieve alongside you, but that we are here for you in any way you need. Even if it's just to talk. To Bill, JC, Wesley, and sweet Jackie. YOU are loved. And you are in our prayers daily, hourly. Mark & Patti
