“ *Walker, my sweet magician. It wasn't until August that we knew you were hiding in your Mommy beside Hunter. Then it was November we knew God made you special. December came and you were the best Christmas gift any crazy lady could ask for. Your brother made the way and you came out feet first. Walking right into our hearts. The past month you overcame things they said was impossible. You showed us all the true beauty of life and how short it can be. Everyday we had you was a gift, one that I will take with me and treasure forever.*
