“ *Me again. Sitting here at work thinking of you, as i do daily. You're thought of and missed so much. I wished there were visiting hours in Heaven as i'd be there with the boys anxiously waiting our turn to visit. Sigh. I love you Wanda. I guess i feel like typing on this page makes me feel as if i'm actually talking to you in a sense. Whatever works,huh ? I love you and miss you. I wished i could hug you or just pick up the phone and talk with you.*

*In the meantime, we've just celebrated Misti's b'day. FUN! We did the bowling thing. Kiddos had a blast. Aunt Misti does so good in including them in on things w/her and their family. She keeps Wayne in check as well. ;)*

*Alright, until next time, we love you and miss you.*

“ I'll never understand your passing but you're missed 'everyday' and thought of as well. There's not a day goes by that we don't mention you to the boys and or that they don't tell you 'we love you Grammy'. We "love you a bushel and a peck"... RIP Wanda aka 'Best Mother n Law ever'
