

WENDY SUE JOHNSTON ELMORE

January 29, 1962 - July 19, 2014

Wendy Sue Johnston Elmore of Short Creek, Alabama was born January 29, 1962 and left this life to be with the Lord on July 19, 2014. She is survived by her husband Paul A. Elmore, sons Kevin (Adrienne) Elmore, Derek (Brittney) Elmore, Murphy Elmore (fiancé Rachel Luiz) and grandchildren Conner and Kamdyn Elmore. In addition, she is survived by parents Jimmy and Mary Johnston, siblings Barbara (Steve) Weber, Beth (Owen) May, and Chris (Amy) Johnston along with several nieces and nephews.

She was a devoted and loving spouse, mother, grandmother, daughter, sister, aunt, and friend. Her love for life radiated through her infectious smile and ability to make others laugh. She enjoyed cooking and hospitality, and always said "it is my love language." Wendy lived an amazing testimony; as she exemplified strength and grace by her life motto and favorite Bible verse Philippians 4:13 "I can do all things through Christ who strengthens me." She will be greatly missed but her radiant spirit will live in our hearts forever.

The visitation will be Monday, July 21, 2014, from 5:00 PM until 7:00 PM at Union Hill Baptist Church. The funeral service will be Tuesday, July 22 2014 at 10:00 AM at the Church. Burial will follow at Rock Creek Church of God Cemetery.

“ I bought a beautiful frame at a thrift store and found a picture hidden behind a religious quote, with the words ‘Wendy Sue Johnston 11 months’ on the back. I’m sorry for your loss.

“ The sting of death is ultimately difficult I remember meeting Wendy in the seventh grade at Pittman Junior High School and she was so nice and kind we went on to graduate in 1980 at Hueytown High School and through all the years of being out of touch for about 30 years we got to be reacquainted on fb she is rejoicing in heaven so lets rejoice with her I love you see you again one day.

“ I met Wendy and Paul when I was about 7 yrs old at Union Hill Church. They watched me grow up and as a pre teen Kevin and I became good friends then I started babysitting Derek and Murphy. The more time I spent around this Absolutely Gorgeous Amazing Couple,I became friends with Paul and Wendy as Well. I always looked up to Wendy for what a Strong Courageous Women she was. And She had such a Free and Wonderful Spirit. And I Admired the relationship that her and Paul had. I inspired to have that type of Love. I haven't been successful yet but still searching for it. Wendy always knew how to make the best out of any situation. She could turn a dismal day into a Party or Parade. She walked into a room and would just brighten it up with her Gorgeous Smile. She was so tough too and always tried to let people know to never give up on anything. She had such a wonderful faith to that inspired me to be a better Christian and better person. She was one of the Most Amazing Ladies I've ever had the Privilege of Meeting. She truly was an Angel here on Earth! And I'm so thankful that God Allowed Us to Borrow Her from Heaven for all the years we got to have her here. I'm Honored to be able to Call Her My friend. REST IN PEACE DEAR WENDY! U R SO GREATLY MISSED AND LOVED BY EVERYONE U CAME IN CONTACT WITH.

“ The list of things I loved about you along with my favorite memories together is just too long. Every moment around you always included a smile and a big laugh-that was one of your most loved gifts. I will miss the way you made every meal or occasion special and fun. Thank you for always making me feel loved and accepted as a daughter-n-law. But most of all, thank you for the joy you gave as Conner and Kamdyn's Mimi. I am happy God has healed you, may your soul rest in peace, we will miss you. As you would say "Love you big as the sky, to the moon and back"

“ Barbara my thoughts and prayers are with you and your family. She was so young. Sometimes we dont understand this crazy life that we are dealt. Only faith and prayer can lead us through. I guess it was the ugly "c" that takes so many of our friends and family.
Prayers for all of you for Gods Peace and Strength.
