“ *Dear Walker family. I am so sorry to have read of the death of
Wendy. Please accept my sincere condolences. I would like to
share something that I have personally found to be comforting. It is
found in the Bible at John 5:28, 29 and Revelation 21:4. These
verses tell us that soon God is going to bring about a resurrection of
our dear loved ones as well as do away with all causes we have for
suffering, including sickness and death. Knowing this has always
comforted me and it is my hope that these thoughts will comfort
your family also.*
