“ The news of Bill passing has been received with a heavy heart down in Florida." We didn't know him as Bill, to us he was "surf bum", "bum", and "uncle bum". Most importantly he was family to all of us. "Surf bum" has been friends with my mother and uncle(Sandy and Jay) since they were teenagers. some of my earliest memories as a child are watching football games on the couch, grilling out, and shooting hoops with uncle bum. we will really miss getting to talk Auburn and FI gator football, and going to the beach with surf bum. we all love and miss "surf bum", and feel grateful to have had him in our lives. War eagle ! we love you .
