“ It’s hard to explain growing up with a real church family and good friends. You never forget the fun times and as you grow older seems like only the good stuff comes to mind. I loved David and I love this family. Sending hugs and prayers.

“ I will miss seeing his face every morning asking if there was anything he could do,when I would tell him no,he would look at the light over my desk and we both would laugh.Knowing that all he had to do was reach up and touch it. He will surely be missed.Debra Wedgeworth (Nicu Nursery)
