

YANCEY "CLARK" EVANS

October 16, 2022

On Sunday, October 16th 2022, Yancey "Clark" Evans, passed away at the age of 51 after a lengthy battle with prostate cancer. Clark, a lifetime resident of Homewood, graduated from Homewood High School in 1990 and attended Bessemer Technical College. He began his career working for 5 years at UAB Hospital. He then spent the next 24 years working for the VA Hospital where he met wonderful people and many lifelong friends.

Clark had a loving spirit and a love for people that was incredible to witness first hand. He never met a stranger and always made a point to make sure anyone in the room felt welcome. His compassion and care reached far beyond the walls of his own home and family and he delighted in sharing his love for life and pure joy with friends, coworkers and his huge extended family as often as possible.

Before becoming ill in these last couple of years, he loved traveling the world and collecting antiques, one of his favorite trips being his trip to Italy, which he would light up whenever he was asked about. Not only did these trips give him the opportunity to continue to make lasting memories with his loved ones, it also allowed him the chance to add to his growing collection of rare nutcrackers and M.J. Hummel figurines that he was so proud to have. His family meant everything to him and he knew that his love and compassion was built from the foundation of his belief in God, he always made time to

praise his Lord and Savior, Jesus Christ and was so thankful to be a lifelong member of Dawson Memorial Church.

He is survived by his mother Charlene G Evans, his father LeRoy Evans (Judy), brother Kenneth Evans (Holly), nieces Jada Evans and Kayla Evans, sister Danielle Evans Wade (Billy) and niece Abbey Wade.

The visitation will be Thursday, October 20, 2022, from 10:00 AM until 11:00 AM at Peoples Chapel Funeral Home. The funeral service will be at 11:00 AM at the Funeral Home with Dan Howard officiating. Burial will follow at Forest Grove Cemetery.

“ Clark was such an asset to the Birmingham VA. He always went above and beyond to ensure we were well cared for in the Physical Medicine and Rehabilitation Service. He was so personable and a pleasure to be around. His smiling face will definitely be missed. Sending condolences on behalf of PM&RS.

“ I remember caring for dear sweet Clark when he was a small child at Dawson Day Care. He was a joy even as he was full of mischief at times. Thinking oh him brings a smile to my face. This world will miss Clark, both the little boy he was and the man he had become. I am sorry for your loss. Emily Hill Robertts

“ *My deepest condolences to the family. I worked with Yancey at the Birmingham VA Medical Center and he truly was a good friend and a great co worker. Even after I retired and had appointments at the hospital, if we ran into one another , he always would ask how I was doing because he knew that I am going through an illness. He always had a smile on his face and if you know him then you know it was real. Rest In Peace my friend.*

“ Clark was a very sweet and caring friend to Andrés, my dad and myself. We will miss him so much!

The picture of him with the hat on is from when Andrés put his hat on Clark to be silly! It is the picture we have on Clark's profile on our phones. This was at Karen's birthday party. Clark always took time to talk to Andrés and have fun.

Clark was a wonderful man and a true believer in Christ. His joy & kind spirit came from a genuine love for his family & his fellow man. He enjoyed not only his family, but all of his extended family of in laws. Clark never failed to come to our family gatherings. He made it a point to give tokens & gifts that he knew meant something special & unique to the recipient. For me, being from New Orleans, he always surprised with some LSU nut cracker or coin purse or statuary. A special gift was a small broach depicting a Mardi Gras masque from my city. He never failed to say "Thank you" or "We Love You" after a holiday dinner at my home. I know God has a new Angel in Heaven
